

VANCOUVER ISLAND WEST SCHOOL DISTRICT 84

APPLICATION FOR THE EMCON SERVICES BURSARY

The Emcon Services Bursary is offered annually to a son, daughter or grandchild of an employee of Emcon Services Inc. in the current locations. The bursary will be awarded to a graduate who is going on to further education at a post-secondary institution. Preference is given to candidates pursuing industry-related trades (heavy duty mechanics, welding, bridge worker, industrial warehousing, etc.).

The criteria for this bursary will be focused on need, effort, interest, and responsibility with a C+ average or better preferred. In the event that no son, daughter or grandchild of an Emcon Services Inc. employee is graduating from School District 84, the bursary will be awarded to a graduate who has exhibited extra effort and interest, who has achieved a C+ average and who has a financial need.

The Emcon Services Bursary is valued at \$500, and must be used during the school year immediately following graduation. Proof of enrollment at a credited post-secondary institution is required.
