

GOLD RIVER SECONDARY SCHOOL

STUDENT-PARENT HANDBOOK

2020-2021

Introduction

Our school is committed to providing an opportunity for all students to become successful, contributing members of our community and society. In doing so, everyone is expected to share in the responsibility of creating a safe, caring school environment that is based on a school culture of mutual respect and trust.

Our code of conduct is posted on our website and within our school. A copy is given to each classroom, student/family and staff member each September. This Code of Conduct applies to all students and adults who are part of the Gold River Secondary School Community.

The Board of Education will take all reasonable steps to prevent retaliation by any person against any student who has made a complaint of a breach of the Code of Conduct.

As per the BC Human Rights Code, no one shall publish, issue or display, or cause to be published, issued or displayed, any statement, publication, notice, sign, symbol, emblem or other representation that indicates discrimination or an intention to discriminate against a person or a group or class of persons which will cause exposure to hatred or contempt.

No one can deny or discriminate against a person or class of persons regarding any accommodation, service or facility customarily available to the public because of the race, colour, ancestry, place of origin, religion, marital status, family status, physical or mental disability, sex, sexual orientation or age of that person or class of persons.

Consequences

- Disciplinary action, whenever possible, will be preventative and restorative, rather than merely punitive.
- Students, as often as possible, will participate in the development of meaningful consequences.

Dress Code:

Students are expected to maintain reasonable standards of personal hygiene and cleanliness and to dress in a manner that is in keeping with the establishment and maintenance of a positive school climate. Parents are asked to ensure that students dress with good taste. Students are responsible that their dress is in good taste, appropriate for specific learning activities and not offensive through the display of words or visuals that involve and/or promote drugs or alcohol, are sexual in nature or demeaning to any individual or group.

Students are to refrain from wearing hoods at any time inside the school. Students are also not permitted to use or wear any electronic devices while inside the classrooms unless specifically permitted by the classroom teacher. This includes cell phones, CD players, MP3 or iPod players or similar devices.

Attendance and Punctuality:

Students are expected to attend classes and be on time except for illness, family need or those occasions when a staff member requires a student to be present for a discussion requiring immediate resolution.

Parents are expected to notify the school by phone or a signed note when a student will be absent or late due to illness or family need. If this is not done, it will be recorded as an unexcused absence or late.

If a student leaves the school during the day and is not returning to school for the remaining classes, it will be an unexcused absence if the office is not notified by a phone call or signed note from a parent.

Students who arrive late to school in the morning or after the lunch break are asked to sign in at the office before going to class. If a student is late between classes, they will be dealt with by the classroom teacher.

Visiting GRSS:

All guests are asked to report to the office when entering or leaving the school premises.

Ethical Use of Technology:

Students and parents/guardians are required to read, agree to, and sign the GRSS Acceptable Use of Technology Policy before students are allowed to access technologies in support of their learning. The staff realizes that enforcing such a policy is challenging and is no substitute for students exercising appropriate, responsible, ethical behavior. Students violating the school's ethical use of technology policies will be subject to loss of privileges to use technology in support of learning and subject to the school's reasonable discipline policy.

Electronic Device Policy

Goal: to ensure optimum student learning

Videos and photographs are never to be taken with personal electronic devices at school.

Personal electronic devices CAN be used:

- Outside of classrooms:
 - Before and after school
 - During lunch hour
- Inside classrooms:
 - Every class including NSOP will have established guidelines for the use of personal electronic devices in that class.

Students, staff, and visitors are to follow all of the above expectations.

Consequences for violating this policy:

1st offence – person is to give their device to the staff member when asked

- it will be taken to the Office
- 2nd offence – person is to give their device to the staff member when asked
- it will be taken to the Office
- student and parent/guardian will meet with the Principal or Vice-Principal

Smoking:

As of September 2, 2007 and March 31, 2008, our school is completely tobacco-free, as a result of recent changes to the *Tobacco Sales Act*, now renamed the *Tobacco Control Act*.

This means that from the moment students, staff or visitors enter school grounds, they can no longer smoke or use tobacco, or hold lighted tobacco, at any time, day or night, whether or not school is in session. Anyone who breaches this new legislative provision can face a fine of up to \$575. The Board of Education Policy E.19 supports this legislation.

Each year the school will conduct a smoking awareness/cessation program available to all students.

Emergency Drills/Procedures:

During all emergency drills or on the occasion of a genuine emergency all members of the school are expected to follow known and posted procedures, respond positively to all requests from school or emergency personnel and act in a manner that is appropriate to the situation.
